**About BulliesOut**

Bullying and bullying behaviours are recognised as one of the more contributing factors in cases of non or diminished attendance at school. The stresses placed on the those who are bullied have far reaching effects on the emotional health and wellbeing, educational successes and subsequent life chances.

BulliesOut provides much needed help support and information to individuals, schools, youth and community settings affected by bullying. The charity was established in May 2006 and it is through the determination and tireless work of its team that ensures thousands of young people are helped and supported through this cruel act each year.

A description of our core programmes can be found on our website, but ultimately BulliesOut is working towards creating environments where children and young people feel empowered to speak out about bullying, thus creating a 'culture of telling'.

## Why Become A Member Of BulliesOut?

**There are 10 million children and young people in the UK and over half report being bullied.**

Thank you for considering membership of BulliesOut. Your support is very much needed and appreciated as we have some huge plans to really help and make a difference to the lives of children, young people and their families affected by bullying.

There are young people out there right now near breaking point and desperately need the help and support we want to give them. Having been on the journey ourselves, we know how stressful and emotional it is not to be listened to, how isolating it feels to be left out and how draining it is to have to deal with this cruel act every single day.

BulliesOut provides as much help, support and information as we can, but there are thousands of young people out there who need this support and we are working hard to expand our work and reach out to them.

This is where we can really make a difference, and your membership fees can help us with our fundraising to provide that support to those affected by bullying when they really need it.

This is where you can help. By becoming a member you will help us to help the young people who are struggling to deal with bullying, to support them and to further educate others on the effects of bullying.
