SING OUT AGAINST BULLYING

An exciting, musical opportunity for schools to get involved in a project for Anti-Bullying week.

As part of Anti-Bullying week 2021, schools are invited to participate in a collective opportunity to learn and perform an inspiring song, 'No More'.

The song was written by 10-year-old Bertie Caplan and Perrie Young of CreativeKid. The song is due to be released as a single on the eve of anti-bullying week, Sunday 14th November 2021.

BulliesOut are partnering with Bertie and Perrie to spread the message 'No More Bullying' far and wide across school communities. There is nothing more powerful than a chorus of children's voices singing together, especially after a long period of restrictions to music in schools.

The 'Sing Out Against Bullying' event is a wonderful opportunity to engage as many children as possible to stand up and sing out loud and clear against bullying. We want to raise awareness around this serious issue and promote a message of friendship, inclusion, and kindness for this year's anti-bullying week.

LET'S GET SINGING!

We would like to have as many young voices as possible up and down the Nation learning and singing 'No More' together.

- Download the recording of the song to play to your children
- Use the backing track and lyrics to teach the song, or accompany on the piano/other instruments
- Choose your own unique way to stage or present the song
- Record your school's version of the song and share with us on social media

NO MORE

BY BERTIE CAPLAN

AGE 10

Bullying's mean, bullying's cruel. If you're a bully, you're only playing a fool.
Just because you're angry, doesn't mean you have to be so mad,
Just release your feelings, your friends will give a helping hand.
It's time to make a change,
I said its time to make a change

No more bullying ... never again.
The world is different now, you gotta help so many children,
No more bullying never again
Treat everyone, like they're your friend.

The world is changing now give everything we can.
If you need a best friend ... we can be your fan.
It's time to make a change,
I said its time to make a change.

No more bullying ... never again.
The world is different now ... you gotta help so many children.
No more bullying never again ...
Treat everyone, like they're your friend.

No more bullying ... never again.
The world is different now, you gotta help so many children
No more bullying never again
Treat everyone, like they're your friend.

No more bullying

No more bullying

No more bullying.
